Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Tuesday 06 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A few light snow showers lingering in the north tonight.

This Evening and Tonight:
Northerly winds will bring scattered sleet or snow showers across northern counties and parts of the east coast while it stays dry further south and west. Clear spells will lead to a frost away from the cities. Minimum temperature 0 deg C (32 deg F).

Wednesday:
Less cold on Wednesday with Sunny spells and a few isolated wintry showers, mostly confined to coastal areas. Cloud thickening later, then rain preceded by hill snow in evening. Maximum temperature 8 deg C (46 deg F).

Outlook for Thursday to Saturday:
A dry start on Thursday but some rain later and winds strengthening again. Colder with wintry showers on Friday and Saturday.
